New Exclusive AHCA/NCAL Member Savings on Nationally Recognized Activity Director Certification Programs!

NCCAP Activity Director Certified Credential (for Nursing Facility Activity Professionals) The self-paced **Activity Director Certified (ADC) course**, part of NCCAP's nationally recognized Modular Education Program for Activity Professionals (MEPAP), prepares activity and life enrichment professionals to develop meaningful programs that enhance quality of life for older adults. The course provides the educational foundation for eligible participants seeking the NCCAP ADC credential and supports compliance with CMS F680 activity professional qualification requirements. Course registration includes:

- NCCAP's national ADC certification exam
- Two-year recognition of the NCCAP ADC credential after successfully completing the exam with a score of 70% or higher
- Two-year membership of the National Association of Activity Professionals

NAAP's Assisted Living Enrichment Certification Credential (for Assisted Living Activity Professionals) online course offered by the National Association of Activity Professionals (NAAP) includes videos, readings, interactive tools and certification exam. Clear guidance is provided along each step including exam preparation. After successful completion of the course and exam, participants receive the Assisted Living Enrichment Certification (ALEC) through the National Certification Council for Activity Professionals (NCCAP), and a one-year free bonus NAAP membership.

Customer Experience & Satisfaction

AHCA NCAL Customer Experience *Committee*

Turning Tension into Trust: Team Training to Improve the Customer Experience in LTC
Part 1 uses five real-world scenarios to help long-term care teams strengthen customer service and navigate challenging interactions. The training focuses on four core skills: awareness and empathy, communication and listening, de-escalation and service recovery, and team alignment. Participants learn practical strategies to recognize emotional cues, prevent escalation, resolve concerns, and build trust with residents, families, and colleagues. Learn more!

CEs	Type	Member Price	Non-Member Price	Audience
None	On-Demand	Free		All staff

Turning Tension into Trust: Team Training to Improve the Customer Experience in LTC Part II Through these realistic interactions, participants will explore how moments such as public inquiries, transitions of care, differing expectations, or complex behavioral situations can either create additional challenges or become opportunities to demonstrate professionalism, empathy, and collaboration. Part II of this training consists of three scenario-based scripts designed to build practical, applicable skills and facilitate meaningful discussion among team members. Learn more!

CEs	Type	Member Price	Non-Member Price	Audience

Maintenance Director Training The maintenance director helps long-term care facility managers and maintenance directors develop compliant environmental programs that support facility safety and regulatory requirements. The course includes focused modules covering key areas such as fire and smoke door inspections, generator maintenance, and electrical equipment testing. Register Now!

CEs	Type	Member Price	Non-Member Price	Audience
None	On-Demand	Free	$65	Maintenance Director, Facility Manager, Facility staff, and Environmental Services Personnel

Finance & Reimbursement

SNF VBP Essentials provides instructions on using a SNF VBP prediction calculator tool (included with the course) that helps estimate the financial impact the measures will have on a nursing facility's Medicare Part A revenue.

The training delves into all eight measures which are:

- Hospital Readmissions
- Healthcare Acquired Infection Hospitalizations
- Long-stay Hospitalizations
- Discharge to Community
- Discharge Function Score
- Total Nurse Turnover
- Total Nurse Hours Per Resident Day
- Long-stay Falls with Major Injury

Understanding all eight measures and adopting best practices now will help avoid Part A payment penalties and potentially boost future incentive payments. Learn more!

Make Smarter Decisions – Learn How Investors Evaluate Your Business & Broaden Your Industry Lens with NIC Academy

AHCA/NCAL members can strengthen their understanding of capital, investment, and financing through the National Investment Center for Senior Housing & Care (NIC) Academy. Developed by industry experts, NIC Academy provides practical education to help owners and operators communicate effectively with investors and make informed financial decisions.

NIC Academy's CSHIP Programs

CSHIP is a fully online, self-paced program that helps owners and operators understand how investors and lenders evaluate their business, communicate with capital partners, and make more informed operational and strategic decisions — teaching the language of capital so providers can better position themselves to secure funding and execute transactions.

Available at two levels — Level I (Fundamentals) and Level II (Intermediate) the programs serve everyone from those building foundational knowledge to seasoned professionals looking to advance their expertise.

NIC Academy's 2026 Senior Living Bootcamp NIC Academy Boot Camps are intensive, practitioner-focused training programs designed to build sector-specific knowledge in senior housing and care market analysis, deal assessment, and emerging opportunities. The boot camps are ideal for assisted living, skilled nursing, and memory care owners, operators, and administrators looking to strengthen their business and financial acumen.

The 2026 in-person Senior Housing Boot Camp will be held Tuesday, October 20 in Chicago.

NIC Academy Special Topic Courses

Build targeted expertise with NIC Academy's Special Topics courses — fully online and self-paced. Each 4–6 hour course is taught by industry experts and designed around the disciplines that drive decision-making in senior housing. Flexible, practical, and focused, the growing library lets operators, developers, and investment professionals strengthen knowledge on their own schedule. AHCA/NCAL Members Save 25% with promo code **AHCA** or **NCAL** when registering for any of these NIC Academy Program.

Population Health Management (PHM) Innovation Lab

Population Health Management (PHM) is a term that describes the application of various interventions and strategies aimed at improving the health outcomes and managing the costs of a targeted group of individuals. PHM models vary based on the degree of risk, degree to which payment is tied to quality, reliance on data analytics, and level of care coordination.

The PHM Innovation Lab has been developed to educate long-term care and post-acute care (LTC/PAC) providers on the different PHM models and opportunities for participation and leadership within them.

All of the following trainings are available to you free of charge, but you will need to register for each separately. You may participate in any and all modules that are of interest to you and the work you do.

- **Population Health Management Fundamentals**
- **Accountable Care Organizations**
- **Bundled Payments**
- **Emerging Models: Direct Contracting**
- **Managed Care**
- **Provider Networks**

Gero Nurse Prep is specifically designed for RNs, LPNs/LVNs working in long term care, the AHCA/NCAL Gero Nurse Prep course provides comprehensive online training that can also lead to board certification in gerontological nursing by the American Nurses Credentialing Center (ANCC) for RNs.

Research conducted by the University of Nebraska Medical Center College of Nursing in 2025 and 2026 found that nursing facilities with at least one nurse who had completed the Gero Nurse Prep program experienced lower turnover among CNAs, LPNs, and RNs; higher average occupancy rates; higher incentive reimbursement; smaller reimbursement losses; fewer payment denials; fewer deficiencies; and, lower fine amounts and citation fees when compared to virtually identical facilities in the same geographic areas without specially trained nurses. Learn more!

CEs	Type	Member Price	Non-Member Price	Audience
30 Contact hours	On-Demand	$790 - AHCA/NCAL members save $200 off the regular $790 fee through November 30, 2026, by using either the **RN26** or **LPN26** promo code when registering for Gero Nurse Prep. After November 30, 2026, use promo code **AHCAPAYLESS** to save $100 off the $790 price.		All RNs, BSNs, LPNs/LVNs working in long term/post-acute care. ANCC has additional requirements that must be met by RNs and BSNs who choose to sit for the ANCC certification exam.

Discharges: Making the Safest Transition for Your Residents is a webinar created by AHCA Regulatory staff to assist facility staff in understanding regulations related to planning, preparing, and discharging residents safely. The webinar provides real-life scenarios of difficult discharge situations, and how to stay in compliance when these situations arise. **Learn more!**

AHCA NCAL WORKFORCE

WEBINAR SERIES

Attend Live or On-Demand! *LEARN MORE*

AHCA/NCAL Workforce Webinar Series is focused on workforce related matters impacting our long term care providers across the country. This series is focused on issues from career ladders to getting more youth interested in the long term care field to hiring immigrants and refugees. During this series, hear directly from provider members – including AHCA/NCAL workforce committee members – and other experts on these matters on what has and hasn't worked from their experiences. It is also an opportunity to get your pressing questions answered. Register now!

Webinars in this series will include:

1. Interested in an Apprenticeship Partnership?
2. Building the Path: Creating Careers in Long Term Care
3. Refugee Workforce Partnerships in Long Term Care
4. Career Upskilling: Creating Opportunities to Level Up
5. Key Strategies for Retaining Your LTC Workforce
6. Building Employee Resiliency through Person-Centered Approaches
7. Why Registered Apprenticeship? How It CAN Help Build Your LTC Workforce
8. Inspiring the Next Generation: Engaging Youth in Long Term Care: Part 1
9. Inspiring the Next Generation: Engaging Youth in Long Term Care: Part 2:
10. Building Resilient Teams Through Cross-Training: Strategies, Challenges, and Success Stories
11. Where Students and Community Meet: Transforming Workforce and Resident Experiences Together
12. Introduction to AI for Long Term Care: Supporting the Workforce with Smart Technology

And more to come in 2027!
